

1957 Team Roster:

“Competition at the high school level was enjoyable. It was great going to the all-state game and playing with players like Phil Neikro. Back then individual records didn’t mean that much- we just went out and played ball and tried to be competitive.”

- Gary Farmer

“Ed Spangler was a real good left-handed hitter with speed. Larry Baughman was the long ball hitter and Gary Farmer a good shortstop. Jerry Glaze always continued to improve. The ’57 team was an unusually well-balanced ball team- a lot of good hitters and good glove men. This team along with the ’47 team was the best I had while coaching at LHS.”
