*"Eight boys, all sophomores, were on the team that would play together for 3 years and would go to the State Semi-Finals in '73. They were Jim Essman, Joe Amato, Dave Clark, Dave Wright, Jerry Shupe, Mark Harden, Jeff Hicks, and Tim Burney."*

*"The field at the High School was a mess because of horses and dirt bikes. As a result, Bob Platt was a bloody mess from bad hops hitting his mouth and braces. His leadership was excellent for the younger players this year and in '72. Roy Gordon was another leader and a stability factor for this team."*
