- Coaches: Terry Farmer, Ron Morrison

*Record: 21-6

"February was a good month this year and we got a lot of work done compared to other years."

"We were on I-70 heading for Marietta in the Sectionals when a state trooper stopped us and said the game was cancelled because of rain. We headed back and pulled in at the 33-70 truck stop to call home, only to find out the game was on! Evidently, it was a hoax. This was a good team and they had to go through a little bit of everything to make it to the state tournament."

- Head Coach Terry Farmer

"When I think about playing high school baseball I remember learning to play the game as a team with winning being a common goal. It paid off in the Spring of 1973 as we went to the State Semi-Finals. We had tremendous coaching and leadership. Coaches England, Farmer, White, Morrison were outstanding and I'd like to say thanks to each of them."

- Mark Harden
