"Tremendous senior leadership and very goal oriented. After the loss to Steubenville in '81, we set goals and came back to beat Steubenville, on our road to the finals."

- Head Coach Tom White

"The program I went through for baseball was something I seemed to live for from day to day. The condition was so good, that six years later I am still doing it. Playing high school baseball helped prepared me for what was ahead. It was a lot of fun and that's what it should be-fun!"

- Allan Anderson

"Playing varsity baseball at LHS during 1980-81-82 was a very exciting time in my life. Coach Tom White and Coach Howard Bozman were two excellent coaches who made us work to achieve our goals."

- Tom Graham
